Let our in-house experts guide you on your path to wellness with high-tech and high-touch therapies including our biohacking recovery tools, sound therapy, body cocoons, and personalized facials. # THE ROMAN BATHS

## THE ROMAN BATHS

In Roman times the bathhouse was a place to meet and connect with people. Fast forward to today and our Six Senses Spa experience provides a traditional yet still pioneering way to ease life's stressors by warming the body up and cooling it down.

Roman baths were part of day-to-day life in ancient Rome, a place to see and be seen, network and make business connections. Everyone just happened to be naked (a tradition we will not be taking forwards)!

**For external guests:**

Experience the Roman Baths at your leisure and emerge feeling light, deeply cleansed, de-stressed and tension free.

*For the following day spas, you have one hour to fully immerse in the bathing circuit while keeping hydrated and enjoying the relaxation space when you need some time out.*

### SCRUB DOWN

A perfect complement for those requiring a thorough exfoliation! After the bathing circuit, prepare for a 60-minute Hammam to leave you feeling invigorated and your skin beautifully soft.

### RUB DOWN

Enhance your Roman bathing experience by including a 60-minute personalized massage tailored to your needs.

### SOUL FOOD

What is better than completing your thermal circuit with a wholesome, nutritious meal served in our restaurant?

### FRIEND FIX

Are you celebrating a special occasion? Get creative with your friends at our Alchemy Bar and enjoy a fun workshop where you'll make products to enhance your bathing experience. This special occasion will be completed with a delicious lunch served in our restaurant.

### PARTNER PERFECT

Sometimes those closest to us know what we need before we do. Get partner perfect by curating the massage experience you think your loved one needs. Share their unique massage preferences with us and we will create a unique experience that will always be remembered!

# HAMMAM

### HEALING HERBAL HAMMAM

Gone are the days when the traditional ancient Roman massage ritual - lutum oleum strigilis (mud - oil - scraping) is needed. Today, we can benefit from a beautifully fragranced oil created with eight healing herbs. This organic almond oil emulsifies with steam enabling highly effective absorption of the powerful ingredients to fortify the body.

*30 minutes* – full-body scrub with kese mitt, application of the healing herbal remedy

*60 minutes* – full-body scrub with sicilian raw sea salt, sweet fennel and rosemary, application of the healing herbal remedy

*90 minutes* – full-body scrub with sicilian raw sea salt, sweet fennel and rosemary, self-heating marine mineral mud on the back to soothe tension, application of the healing herbal remedy
